## Happy Holidays from AAA Federal Credit Union

Let AAA Federal Credit Union help you with all of your holiday expenses. As our gift to you, our loyal AAA Federal Credit Union Visa Credit Card holders, any purchases that you make using your AAA Federal Credit Union Visa Credit Card through December 31, 2009 will have an interest rate of 4.9% APR. The 4.9% APR interest on these purchases will be good through your June 2010 billing cycle date. Remaining balances on these purchases will then revert back to the prevailing APR. For more information regarding this promotion or to apply for a AAA Federal Credit Union Visa Credit Card contact one of our three credit union locations.
